Nans Outdoor Ceiling Light

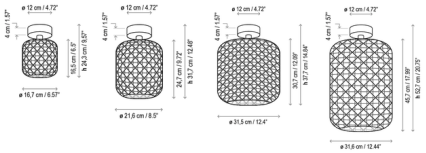

By Bover

Description

Reimagine your outdoor space and add an extra layer of depth with the Nans Outdoor Ceiling Light. The strong steel frame is combined with a hand-woven shade made of recyclable, non-toxic synthetic polyethylene fibers to create a fixture perfect for outdoor use. A polycarbonate diffuser softens the LED light. Bring warm, refreshing light into porches, patios, or hospitality environments and create a relaxing Mediterranean atmosphere with the Nans. Available in four heights: 9.57 inches (model PF/16), 12.48 inches (PF/21), 14.84 inches (PF/31), and 20.75 inches (PF/31.2). Note: 0-10V dimming is not available for 9.57 inch fixtures.

Shown in graphite brown / brown
