Lisse Extension Dining Table

By Copeland Furniture

Description

The Lisse Extension Dining Table is built using strong American black walnut hardwood and sports a low sheen top coat that protects against dings and scratches. Features self-equalizing, ball bearing extension glides and a single self-storing butterfly leaf for single handed operation. With the included leaf the table can be extended to 111 inches in length. Use this table as the focal point for your meals, parties and holiday gatherings for years to come.
