Laverton Color-Select Pendant

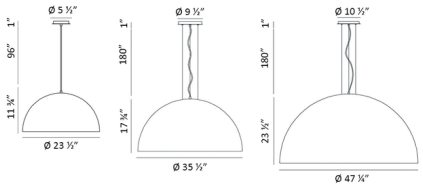

By Eurofase

Description

With a generously sized dome shade, the Laverton Pendant makes a striking contemporary statement while dispersing plenty of ambient light. Choose contrasting exterior and interior shade colors for a bolder look or go with similar colors for a more understated appeal. Features color-select technology allowing user to field select between 2700K, 3000K, 3500K, 4000K, and 5000K color temperature options. TRIAC and ELV dimming. Note: The 47.25 inch pendant is not available in White / White.

Shown in black / black / gold
