View Tufted Rug

By Ferm Living

Description

The View Tufted Rug features geometric shapes inspired by an aerial view of Earth - think soft desert dunes and graphic mountain ridges - decorate this plush tufted rug, crafted by hand using the traditional rug-hooking technique. Made from supremely soft, yet durable New Zealand wool, the artistic design is offered in calming tonal beige or rich, earthy red-brown hues, and the contrasting pile height lends depth and dimension to the versatile piece. Fringed trim underscores the artisan feel.
