## Bellhop Outdoor Bollard Light By FLOS

### Description

Resembling a hatted hotel porter, the Bellhop Outdoor Bollard Light offers illumination served with contemporary style, enhancing landscapes and architecture to create beautiful environments. LEDs housed in the lamp head shine through an opal optic diffuser for smooth homogenous lighting. The painted finishes are exterior-rated epoxy polyester powder coats that ensure superior strength and resistance to heat and UV. Integral non-dimmable LED driver included. Two sizes are available: 15 inch height (Bellhop Bollard H 380) and 33.5 inch height (Bellhop Bollard H 850). Note: Concrete base plate sold separately.
