A modern table lamp featuring a white drum shade, a gold-colored cylindrical body, and a clear glass base. The lamp is shown against a white background.

The technical drawing shows the 'L' shaped base plate from two perspectives. The top view is an 'L' shape with overall dimensions of 20 3/8" by 11 3/4". It features a central rectangular cutout measuring 6 1/2" by 6 1/2". A small square hole is located at the top right corner, with a center-to-center distance of 6 1/2" from the right edge and 1 1/2" from the top edge. A dimension of 6 1/2" is also shown along the top edge from the left corner to the start of the cutout. The side view shows the base plate's profile, which is 1 1/2" thick. It has a flat top surface and a vertical section on the right side. A bolt is shown passing through the bottom flange of the 'L' shape.

Notes:
