Freesia Oval Chandelier

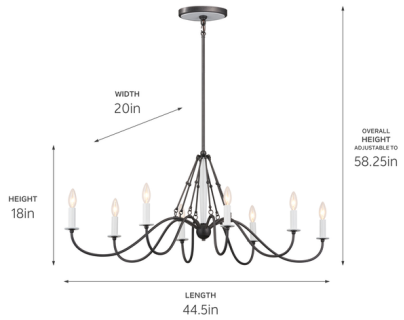

By Kichler

Description

The Freesia Oval Chandelier features a refined heirloom-quality design of delicate sweeping arms and timeless finishes. The layered Anvil Iron finish evokes aged iron, with its medium silver base and subtle darker gray details, and white lamp holders create a vintage candlestick look. The Textured Black finish also has classic character with its subtle rough surface. Use the Freesia to add a traditional, rustic touch to dining rooms and foyers.
