## Kline Wall Sconce

By Lark

### Description

The Kline Wall Sconce's minimalist form doesn't need to make a fuss, thanks to its pared down but supremely stylish transitional silhouette. Keeping things architectural, Kline's 1-light tall sconce features a slender ultra-elongated curved arm in a luxe finish fitted with a sleek clear glass shade for a perfectly precise profile. Mounting hardware is hidden on the backplate to ensure a clean silhouette.

Shown in black / clear
