Nobodys Perfect Glass

By Lasvit

Description

The Nobody's Perfect Glass offers a twist on the golden line that has traditionally been used to adorn luxury glassware. Rather than a perfect straight line around the rim of the glass, the Nobody's Perfect Glass features an imperfect, hand drawn line to accentuate the glass's handmade character. Crafted in the Czech Republic by Lasvit's artisan glassmakers, Nobody's Perfect is available in shot, water, and tumbler glass sizes.
