Taffinoe Pendant

By Metropolitan Lighting

Description

The Taffinoe Pendant features a grouping of glass chains draped over a metal frame. Each link of the chain is a C-shaped piece of textured glass that refracts and diffuses light. When grouped together, the textured glass pieces give the pendant a whimsical aesthetic that will complement a variety of decor styles. Note: Due to the weight of the fixture, the 24.63 inch high pendant requires additional ceiling support.

Shown in polished nickel / clear
