Camrin Convertible Chandelier

By Minka Lavery

Description

The irregularly shaped, faceted glass shades of the Camrin Convertible Chandelier lend a modern edge to a classic design. Waves and folds in the glass give the piece an ice-like texture that creates visual interest. May be installed as a semi-flush ceiling light or pendant with included chain. Available with coal black finish and clear glass or etched glass with brushed nickel finish.

Shown in brushed nickel / etched opal
