Basica Minima Portable Table Lamp

By Santa & Cole

Description

The Basica Minima Portable Table is a petite, battery-powered version of Santa & Cole's classic Basica lamp. The lamp's birch cylinder body is paired with a tapered shade in Natural Ribbon or Stitched Beige Parchment and Bronze finished metal base. These natural materials perfectly complement the warm 2200K light from the integrated LED. Whether on its own or in a grouping of multiple fixtures, Basica Minima makes a great accent for a dining table indoors and out. A touch switch on the lamp's base provides two levels of brightness. Contact charger is included. Battery charging time 5 hours. Note: To prevent degradation of the lamp's materials, do not leave it outdoors permanently.

Specifications

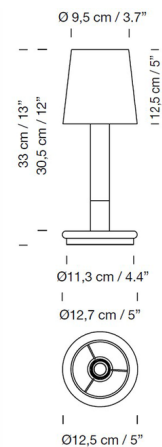

COLOR Stitched Beige Parchment
