Balance 2.0 Pendant By SkLO

Description

The Balance 2.0 Pendant is a sophisticated display of minimalism. A metal frame supports two handmade glass shades that feature either the signature SkLO double-dipped with fire-polished mouths which show where the glass is broken from the blower's pipe, or a frosted finish with a subtle ridged texture. Available with two different sizes of glass sphere shades or one size of glass ellipsoid shades. Note: One 6 inch, two 12 inch, and one 18 inch downrods are included as standard and allow for field adjustability. Custom, non-adjustable overall heights can be specified to order (additional fees may apply).
