Thula Wall / Ceiling Light

By Tooy

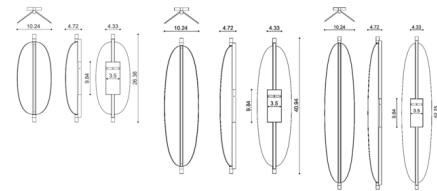

Description

The Thula Wall/Ceiling Light is based around a linear bar with an integrated, dimmable LED. A shade in walnut, oak, or quilted leather adds an organic element that elegantly contrasts the sleek metal construction. May be mounted on wall or ceiling. Note: Thula does not include a cover plate for mounting to a standard US junction box (requires a 2x4 vertical junction box). Included 24V driver (6.3w x 1.77d x .79h) must be placed in an accessible remote location. Dimmable with a TRIAC dimmer.

Shown in beige / walnut
