Nastro Wall Sconce

By Tooy

## Description

The Nastro Wall Sconce features an aluminum band bent around a cylinder to create a modern, geometric fixture. The integrated LED strip allows the sconce to maintain its simple, minimalist structure. Installable upside down. Dimmable with TRIAC dimmer. The Color choice is for the structure and the Finish choice is for the cylindrical weight. Note: Includes a remote driver which must be placed in an accessible location (remote driver dimensions: 6.3 inch width x 1.77 inch depth x .79 height). Backplate for standard US junction box available is included.
