Nastro Wall Sconce

By Tooy

Description

The Nastro Wall Sconce features an aluminum band bent around a cylinder to create a modern, geometric fixture. The integrated LED strip allows the sconce to maintain its simple, minimalist structure. Installable upside down. Phase cut dimming. Backplate for standard US junction box is included. Note: Includes a remote driver which must be placed in an accessible remote location (remote driver dimensions: 6.3L x 1.8W x .8H). The color choice is for the structure and the finish choice is for the cylindrical weight.

Shown in brushed brass cylinder / terracotta
