Nastro Outdoor Wall Sconce

By Tooy

Description

The Nastro Outdoor Wall Sconce features an aluminum band bent around a cylinder to create a modern, geometric fixture. The integrated LED strip allows the sconce to maintain its simple, minimalist structure. Installable upside down. The Color choice is for the structure and the Finish choice is for the cylindrical weight. Dimmable with TRIAC dimmer. IP44 rated. Note: Includes a remote driver which must be placed in an accessible location (remote driver dimensions: 6.3 inch wide x 1.77 inch depth x .79 high). Backplate for standard US junction box is included.

Shown in greenish-grey cylinder / beige
