## Nastro Angled Wall Sconce

By Tooy

### Description

The Nastro Angled Wall Sconce features an aluminum band bent around a cylinder to create a modern, geometric fixture. The integrated LED strip allows the sconce to maintain its simple, minimalist structure. Installable horizontally or vertically. The Color choice is for the structure and the Finish choice is for the cylindrical weight. Dimmable with TRIAC dimmer. Note: Includes a remote driver which must be placed in an accessible location (remote driver dimensions: 6.3 inch wide x 1.77 inch depth x .79 high). Backplate for standard US junction box is included.

Shown in ash / sand black
