CE

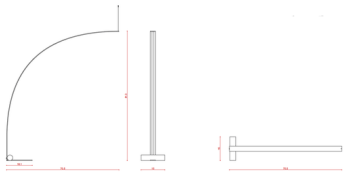

Description

The Nastro Arc Floor Lamp features a curving aluminum band accompanied by a cylindrical weight to counterbalance the lamp's sleek form. The integrated LED strip runs along the length of the lamp to produce a stunning display of light, while allowing the lamp to maintain a slender, minimal form. Driver box and dimmer located on cord. Note: The Color choice is for the structure and the Finish choice is for the cylindrical weight. The 70.5 inch wide lamp includes 78 inches of steel cable to anchor the top of the lamp to the ceiling.
