Lake Indoor/Outdoor Area Rug

By Toulemonde Bochart

(65)

Description

The Lake Area Rug has all the appeal of a living room rug, but can also find its place outdoors thanks to its hand tufted weaving in a recycled polyester fiber worked in a tight loop and high-density velvet. The ground it covers comes alive with shadow and light due to the structure of the semi-plain design. Its ease of cleaning also makes it an ideal rug for a dining room.
