## Audacious Cabinet

By Umage

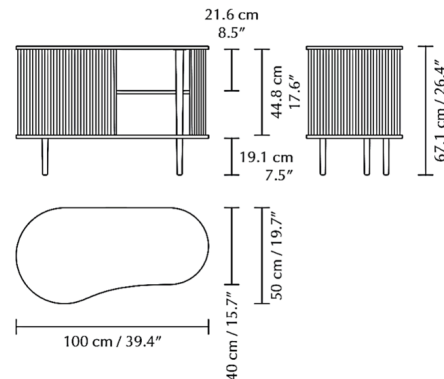

### Description

The Audacious Cabinet was designed as a place for displaying your favorite pieces. The channeled tambour doors are upholstered in polyester fabric with faux leather and slide around the edge of the cabinet, letting you choose how much of the interior you want to show. Change the position of the sliding doors to create new displays and uses. Solid oak legs with an oak veneer top complete the look by adding a natural texture.

Shown in black oak / sugar brown
