## Audacious TV Bench

By Umage

### Description

The Audacious TV Bench was designed as a versatile piece that can serve as TV stand or extra seating at the foot of a bed or in a hallway. The channeled tambour doors are upholstered in 100% recycled polyester fabric with faux leather and slide around the edge of the cabinet, letting you choose how much of the interior you want to show. Change the position of the sliding doors to create new displays and uses. Solid oak legs with an oak veneer top complete the look by adding a natural texture with strong Scandinavian influences.

Shown in light oak / white sands
