## Same Same Linoleum Narrow Dining Table By Victor Foxtrot

### Description

The Same Same Linoleum Narrow Dining Table is solid as a rock. The filigree table frame is made of powder-coated steel that is bent by hand. It consists of two identical parts that mirror each other and are screwed at two points. The linoleum table top is screwed onto the frame and reinforced by a steel frame. The special thing about the construction is that it looks so light and is still stable.

Shown in black / black
