

BRAND Victor Foxtrot

DESCRIPTION

The Swell Time Lounge Chair represents, in the 1950s, having a swell time, which was the ultimate expression of well-being. And that's what you do when you sit in this lounge chair. The graphic, filigree frame is bent by hand from round steel. With their button quilting, the upholstery is reminiscent of British upholstered furniture. This style element contrasts with the straight frame. Dark Green, Pink, Teal, Vermillion and Yellow are upholstered in a 94% wool/6% nylon Kvadrat fabric.
