Disc 6 Inch Wall / Ceiling Light with Motion Sensor By WAC Lighting

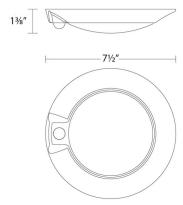

## Description

The Disc 6 Inch Wall / Ceiling Light with Motion Sensor provides uniform LED lighting dispersed through an acrylic diffuser. Its occupancy sensor can be activated to only turn on the light when motion is detected, and the light stays on for three minutes. This light is perfect for conserving energy and automatically illuminating spaces such as closets, stairways, and bathrooms. It uses AC LED driverless technology.

Shown in white
