Patriot 3 Inch Color Select Round Recessed Light

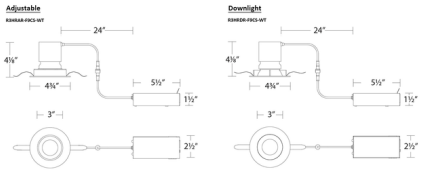

By WAC Lighting

Description

With its minimal profile, the Patriot 3 Inch Color Select Round Recessed Light is perfect for illuminating your indoor or outdoor space while blending into the surroundings. The beam angle is 45 degrees, or 25 degrees if the lens is removed. Two options are available: Adjustable: Rotatable for adjusting light direction. Downlight: Nonadjustable downlight. The light is made of die cast aluminum with a frosted TIR lens. A junction box containing the driver is included for easy remodel or new construction installation. Installs in ceilings 0.5-1.5 inches thick. Color temperature can be set to 2700K, 3000K, 3500K, 4000K, or 5000K using a switch inside the junction box. Dimmable using a TRIAC or ELV dimmer. Frame in kit for new construction applications sold separately.
