Augustus Pendant

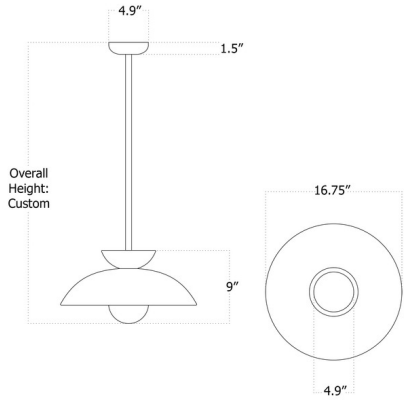

By In Common With

Description

The Augustus Pendant is part of the Terra series and was made in collaboration with ceramicist Danny Kaplan. It features hand-thrown curves and a sleek sculptural silhouette. It is suspended from a Brass rod with a self-leveling canopy, suitable for sloped ceilings up to 78 degrees. Note: Due to the handmade nature of this product, dimensions may vary within one inch. Note: This fixture has a fixed brass rod that is not adjustable. Please specify the exact overall length (OAL) when placing your order. OAL is measured from the ceiling to the bottom of a fixture and includes the shades. The minimum OAL for this fixture is 17 inches, and the maximum with no seam is 83 inches. With a stem over 83 inches, a seam will be placed at 81.5 inches.

Shown in patina brass / anthracite
