Soft Strip Monochromatic Color / Snap & Light 24V

By PureEdge Lighting

Description

Soft Strip Snap & Light is a monochromatic color 24VDC field-cuttable single strip designed for use with PureEdge BIY (build-it-yourself) or DIY (do-it-yourself) systems.Sold in one foot increments with 3 or 5 watts per foot in Red, Blue, Green or Amber. 3 watt (2.6 watts per foot) allows for a maximum length of 36 feet, or 5 watt (4.4 watts per foot) up to 20 feet. Snap & Light connectors allow for Soft Strip to be used in L, T and X configurations. Soft Strip is lined with industrial 3M tap on back of strip for self-adhesion to most smooth finished surfaces. Monochromatic Soft Strip requires a BIY system, remote 24 volt Universal power supply (dimmable ELV/ TRIAC/010V) or a 50W ELV power supply which fits inside canopy (dimmable ELV), a Snap & Light power connector, and mounting accessories as required. Optional Snap & Light accessories sold separately. Product is built to order

Shown in aluminum / blue
