Illume Wall Sconce

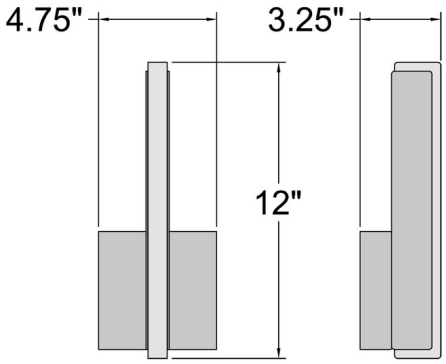

By Access Lighting

Description

The Illume LED Wall Sconce by Access Lighting is the ideal piece for accentuating and illuminating modern interiors. It is made of aluminum, with a vertical tower-like structure fitted with an acrylic lens. The lens diffuses a broad and bright wash of LED light all around living rooms, dining rooms and other spaces. May be used with a Low Voltage Electronic dimmer or a 0-10V dimmer. Suitable for commercial or residential use.

Shown in matte white / acrylic
