## Illume Wall Sconce

By Access

### Description

The Illume LED Wall Sconce by Access Lighting is the ideal piece for accentuating and illuminating modern interiors. It is made of aluminum, with a vertical tower-like structure fitted with an acrylic lens. The lens diffuses a broad and bright wash of LED light all around living rooms, dining rooms and other spaces. May be used with a Low Voltage Electronic dimmer or a 0-10V dimmer. Suitable for commercial or residential use.
