## Pint Dark Sky Outdoor Ceiling Light Fixture By Access

### Description

The Pint Outdoor LED Flush Mount by Access Lighting was designed to add sleek, modern style to an outdoor lighting scheme. The entire piece is made from steel, with a shallow, round canopy and short stem separating it from the cylindrical shade. Within, an LED light source is safely housed to project warm ambient light downward. Note: Dark Sky Ordinance was developed as outdoor lighting standards that reduce glare, light trespass, and sky glow.
