## Ravello Linear Pendant

By Access

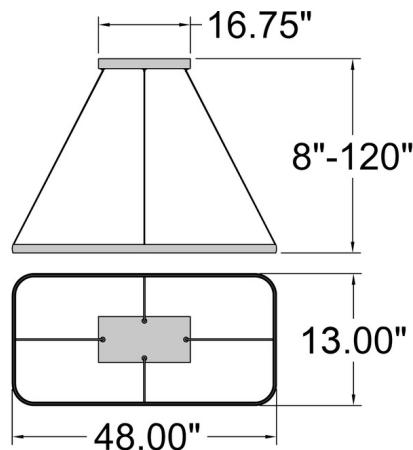

### Description

The Ravello LED Pendant by Access Lighting is a unique lighting design for modern kitchens or dining rooms. This clean-lined fixture is softened somewhat by rounded corners. It is made of aluminum fitted with an acrylic lens. The acrylic both provides a finished look and works to evenly diffuse the light of the LEDs within. Suitable for commercial or residential use. Note: Dimmable with Low Volt Electronic or 0-10V Dimming.

Shown in matte white / acrylic

### Specifications
