Forked Shade Pendant

By Buster + Punch

Description

The Forked Shade Pendant casts a soft ambient light from a solid Metal dome shade. It features their signature diamond-cut linear knurling and is refined by hand. **Burnt Steel:** Made from solid Stainless Steel and exposed to excessive heat to create a unique rainbow of blue, purple, and yellow. No two are exactly alike. **Brass:** Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. **Gun Metal:** Made from Stainless Steel and then finished with Gun Metal PVD. Will stay the same for years to come. **Easy to clean.** **Steel:** Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.

Specifications
