Frame Trio Cabinet

By Audo Copenhagen

Description

The Frame Trio Cabinet is a flexible storage system consisting of three square modules that can be mounted to the wall or stand alone on the floor. The Trio includes an open module with a shelf, a module with a door, and a module with three drawers. Whether on its own or grouped with other pieces, Frame can serve as a dresser, sideboard, or any number of other roles. The Frame collection is manufactured and assembled by hand in Denmark. Available in MDF or wood veneer with steel trim.
