My Own Chair Lounge Chair

By Audo Copenhagen

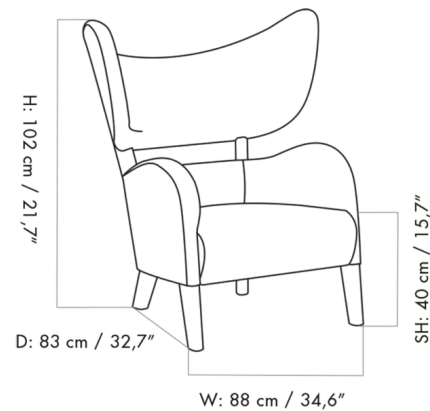

Description

The My Own Chair was designed by Danish architect Flemming Lassen in 1938 and received its name from its status as Lassen's personal favorite chair. My Own's distinctive winged back provides a feeling of privacy, and its sculptural silhouette will add a bold accent to any space. The angular oak frame contrasts with the curves of the back and arms and gives the piece a distinctly Scandinavian appearance.

Shown in natural oak / moonlight sheepskin
