DESCRIPTION

With the Artemis Writing Desk, Barry Goralnick continues to play with the scale and application of the Greek Key motif in this graphic, show-stopping piece. The simplicity of a waterfall desk is married with a single over-scaled Greek Key, which is asymmetrically set. The result is a fresh, graphic form with a gorgeous hand-applied caviar black finish. The evocative form is highlighted with hand-applied stringing of gold leaf. This desk includes a glass top.
