Santos Vintage Chest

By Currey & Company

Description

The Vintage Santos Chest has a split rattan pattern on the drawers, sides, and top, which is made by hand and applied to a solid mahogany frame. Then a Vintage finish covers the entire piece. A design detail of note is how the brass pulls in a brushed brass finish sit squarely in the center of the outer circles created by the pattern. This chest has two solid mahogany dovetail drawer boxes, soft close drawer slides, and adjustable glides.
