Boyles Demi-Lune Table

By Currey and Company

Description

The Boyles Demi-Lune Table has a forged iron base in a black finish that holds a tray top made of solid, unpolished travertine. The personality of the surface stems from the fact that it is porous and has a variety of nooks and crannies in its pitting. Inherent variations in the stone's texture, veining, and color from pale ivory to a warm tan are to be expected and celebrated. Each surface is unique so no two are exactly alike.
