Calliope Wall Sconce

By Currey and Company

Description

The Calliope Wall Sconce was inspired by leaves on the bamboo plant. Though the stem and fronds of this tan wall sconce read as if they are made of natural material, they are fashioned from wrought iron in a mix of coco cream and ivory finishes that are hand-applied by artisans. The placement of the clean-lined rectangular shade is a design detail of note.

Shown in coco cream / light eggshell
