Croft Table Lamp

By Currey and Company

Description

The Croft Table Lamp is a rough luxe offering made of ceramic in a satin dark gray finish. The textural surface has a slight curve as it nears the shade, a central ring that bulges from its profile, and a very subtle leaf motif that is carved into its body at intervals. The pitting on the surface of this dark gray lamp will be a textural introduction to a space. 3-way switch on socket.
