## Kavala Table Lamp

By Currey and Company

### Description

The Kavala Table Lamp has an accordion shape that creates a challenge for those seamlessly wrapping it in abaca rope, but that didn't stop the talented artisans who created it from doing just that. The body that serves as the structure for the rope is made of terracotta. A round rope-wrapped finial fastens the natural linen shade to this rope lamp that was inspired by statement pieces among our accessories. 3-way switch on socket.
