Malayan Floor Lamp

By Currey & Company

Description

The Malayan Floor Lamp rises like a temple spire on a mountainside in a faraway land and has the elemental flair that gives master woodworkers bragging rights. The fluted body is made of rubber wood. The tall, thin linen shade placed atop this composition from the Phyllis Morris Collection makes it all the more commanding. The dual pull-chains on/off switches are delicately sized to keep this design elegant.

Shown in whitewashed wood / light eggshell
