Andre Chandelier

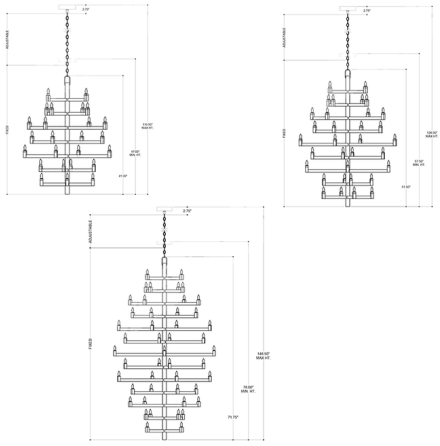

By Currey & Company

Description

The Andre Chandelier features clean articulated arms with resolute geometries that make the big, bold chandelier a powerful statement that can easily swing from contemporary to transitional styles, and many in between. Made of wrought iron in a brass finish, the gold chandelier will take on other personalities when the shapes of the bulbs are changed. Tall foyers and great rooms with high ceilings are perfect spots for this luminous modern light fixture.

Shown in brass
