Isola Pendant

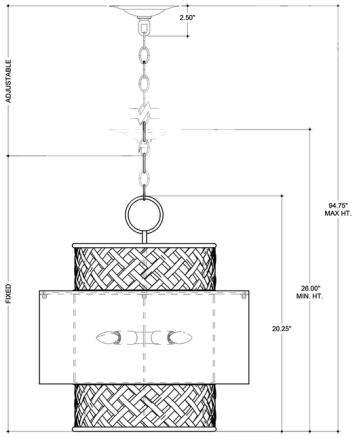

By Currey & Company

Description

The Isola Pendant's natural material and wrought iron frame in a khaki finish and mix of natural water hyacinth and Grass Cloth fabric. Designed by Clarence Mallari, the smaller, taller oval that encircles the light has a rough luxe weave of the water hyacinth; while the wider, shorter oval has a tighter weave that juxtaposes the looser crosshatching on this tan pendant. Both the interior and exterior of the inner geometric form are finely finished to create a refined and sophisticated product.
