Isola Linear Pendant

By Currey and Company

Description

The Isola Linear Pendant's natural material and wrought iron frame in a khaki finish and mix of natural water hyacinth and Grass Cloth fabric. Designed by Clarence Mallari, the smaller, taller oval that encircles the light has a rough luxe weave of the water hyacinth; while the wider, shorter oval has a tighter weave that juxtaposes the looser crosshatching on this tan linear pendant. A design detail of note is that the seams match up when the outer shade transitions from straight to curved.
