Maura Chandelier

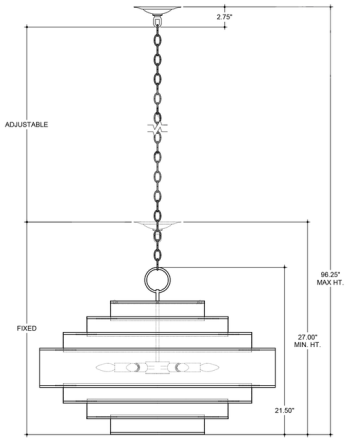

By Currey & Company

Description

The Maura Chandelier features an elevated design statement to the fabric shades. The metal frame in satin black finish is a contrasting element. Though on the surface this design is seriously simple; it is far from it, as the uniformity of the layered shades seen when looking up into the fixture is a precise effort that takes great skill. Choose from a Natural grass cloth or a Mondrian-inspired brightly, multi primary color palate in red, blue, white and yellow.

Shown in black / natural
