Crystal Bud Wall Sconce

By Currey and Company

Description

The Crystal Bud Tall Wall Sconce has delicate faceted crystals unfurling from vines that flow above and below its shade. The rust-colored metal in a Cupertino finish serves as a warm contrast to the luminous glass; the interplay making the profile of this crystal sconce complex and interesting. The crystal sconce has a beautifully placed rectangular shade made of off-white shantung.

Shown in cupertino / off white
