## Crystal Bud Wall Sconce

By Currey and Company

### Description

The Crystal Bud Tall Wall Sconce has delicate faceted crystals unfurling from vines that flow above and below its shade. The rust-colored metal in a Cupertino finish serves as a warm contrast to the luminous glass; the interplay making the profile of this crystal sconce complex and interesting. The crystal sconce has a beautifully placed rectangular shade made of off-white shantung.

Shown in cupertino / off white
