Coulton Color-Select Ceiling Light

By Currey & Company

Description

The Coulton Ceiling Light features an abaca rope that is densely woven around the circumference designed to be luminous. Choices that enhance the glow include the sugar white finish and the acrylic diffuser. This fixture illustrates how painstaking it is to weave natural fibers so consistently and evenly to create the textural rows that bring it warmth. Features color-select technology which allows user to select between 2700K, 3000K and 4000K color temperature options.

Shown in white / abaca rope
