Entra 2 Inch LED Fixed Cylinder Ceiling Light By Visual Comfort Architectural

Description

The Entra 2 inch LED Fixed Cylinder Ceiling Light is a costeffective ceiling light option for residential, hospitality, and commercial applications. The LED light source is recessed within the cylinder to minimize glare. Entra's modern aesthetic is a perfect option for illumination in exposed ceiling applications. Warm dim 3000K - 1800K and various static white color temperatures are available. 2700K, 3000K, and Warm Dim lamp options are California Title 24 compliant. Available in Black, White, or Brushed aluminum exterior finish with Black, White, or Brushed Aluminum interior reflector color. The Flush mounting option includes an adapter plate to mount to standard 4 inch square or octagonal junction box prior to ceiling install. The Conduit mounting option includes a custom junction box assembled at or below the ceiling. The LED driver for the Surface Canopy mounting option is housed within the junction box. The LED driver for the Flush and Conduit mounting options is included and must be installed remotely. Standard reverse-phase, forwardphase, TRIAC, and 0-10V dimming (down to 5%).
